

# Scottish Topology Seminar

---

Thursday, 10 September, 2015

---

156 Fraser Noble Building, Old Aberdeen Campus, University of Aberdeen  
([www.abdn.ac.uk/about/campus/maps/view/43](http://www.abdn.ac.uk/about/campus/maps/view/43))

12:30

*Lunch in the Maths Common Room\**

1:30-2:30

**Jarek Kedra**  
(Aberdeen)

***Braids and the  
complexity of diffeomorphisms  
of surfaces***

3:00-4:00

**Alexander Berglund**  
(Stockholm)

***Automorphisms of  
high dimensional manifolds  
and graph homology***

4:30-5:30

**Thomas Schick**  
(Göttingen)

***Topological T-duality  
and twisted K-theory***

6:15

*Dinner at Goulash (17 Adelphi Ln)\**

*The Scottish Topology Seminar is organised by Richard Hepworth and Diarmuid Crowley (Aberdeen), Brendan Owens and Liam Watson (Glasgow) and Andrew Ranicki (Edinburgh). We gratefully acknowledge support from the Glasgow Mathematical Journal Trust.
